

Company Profile

Realtek

for MEW

REALTEK

Driving Innovation

The Spirit of the Crab

Our achievements reflect our company logo – the crab, fearlessly meeting all challenges, no matter how big they are.

We value the Realtek culture of
SELF-CONFIDENCE AND TRUST IN PEOPLE

We believe that we can achieve our best,
and trust that our partners can also do the same.

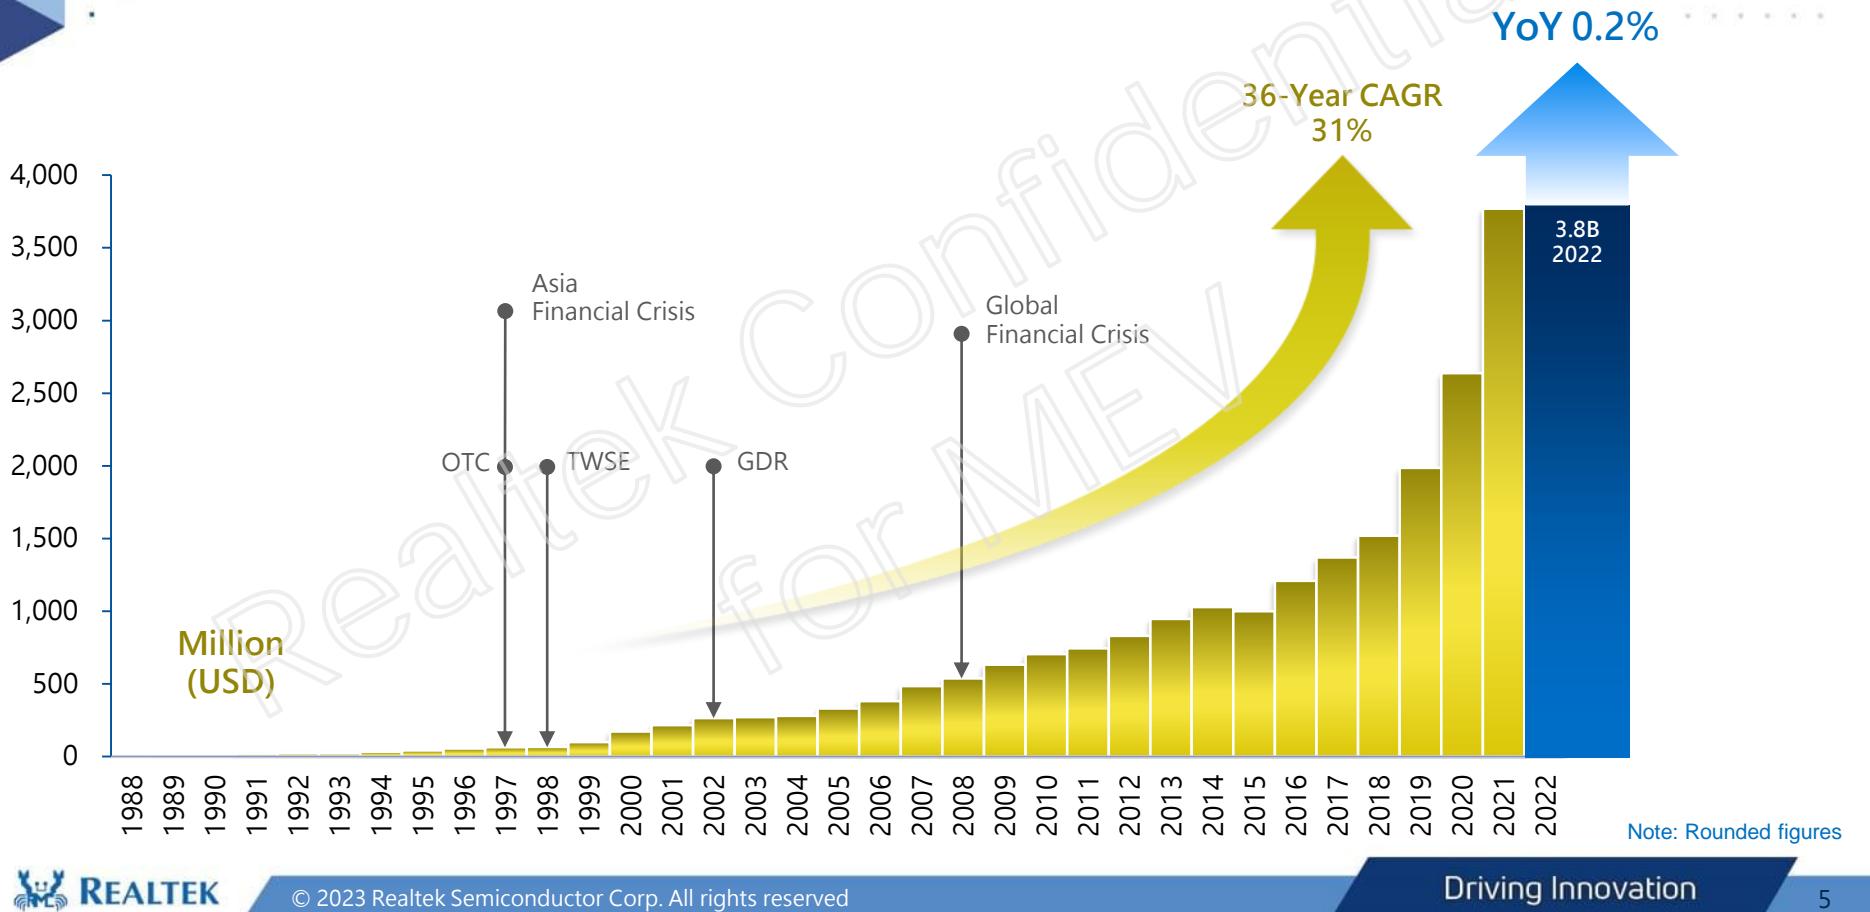

Working and learning in Realtek,
we openly share knowledge and experience
with one another to inspire innovation
and pursue growth of the company,
as well as the individual.

Corporate Profile

- **Founded** 1987
- **Capital** US\$167M
- **Revenue** US\$3.8B (2022)
- **Headquarters** Hsinchu, Taiwan
- **Subsidiaries** CN/ JP/ KR/ SG/ US
- **Employees** 6,700+
- **Products**
 - Communications Network ICs
 - Connected Media ICs
 - Computer Peripheral ICs
 - Multimedia ICs
 - Smart Interconnect ICs

36 Years Profitable Growth

1987

- Founded

1997

- OTC

1998

- IPO

2002

- GDR

2005

- Moved to Current Headquarters

2014

- Revenue Exceeded US\$1B

2015

- Acquired Cortina Access

2019

- Revenue Reached US\$2B

2021

- Revenue Reached US\$3.8B (NT\$100B)

History of Realtek

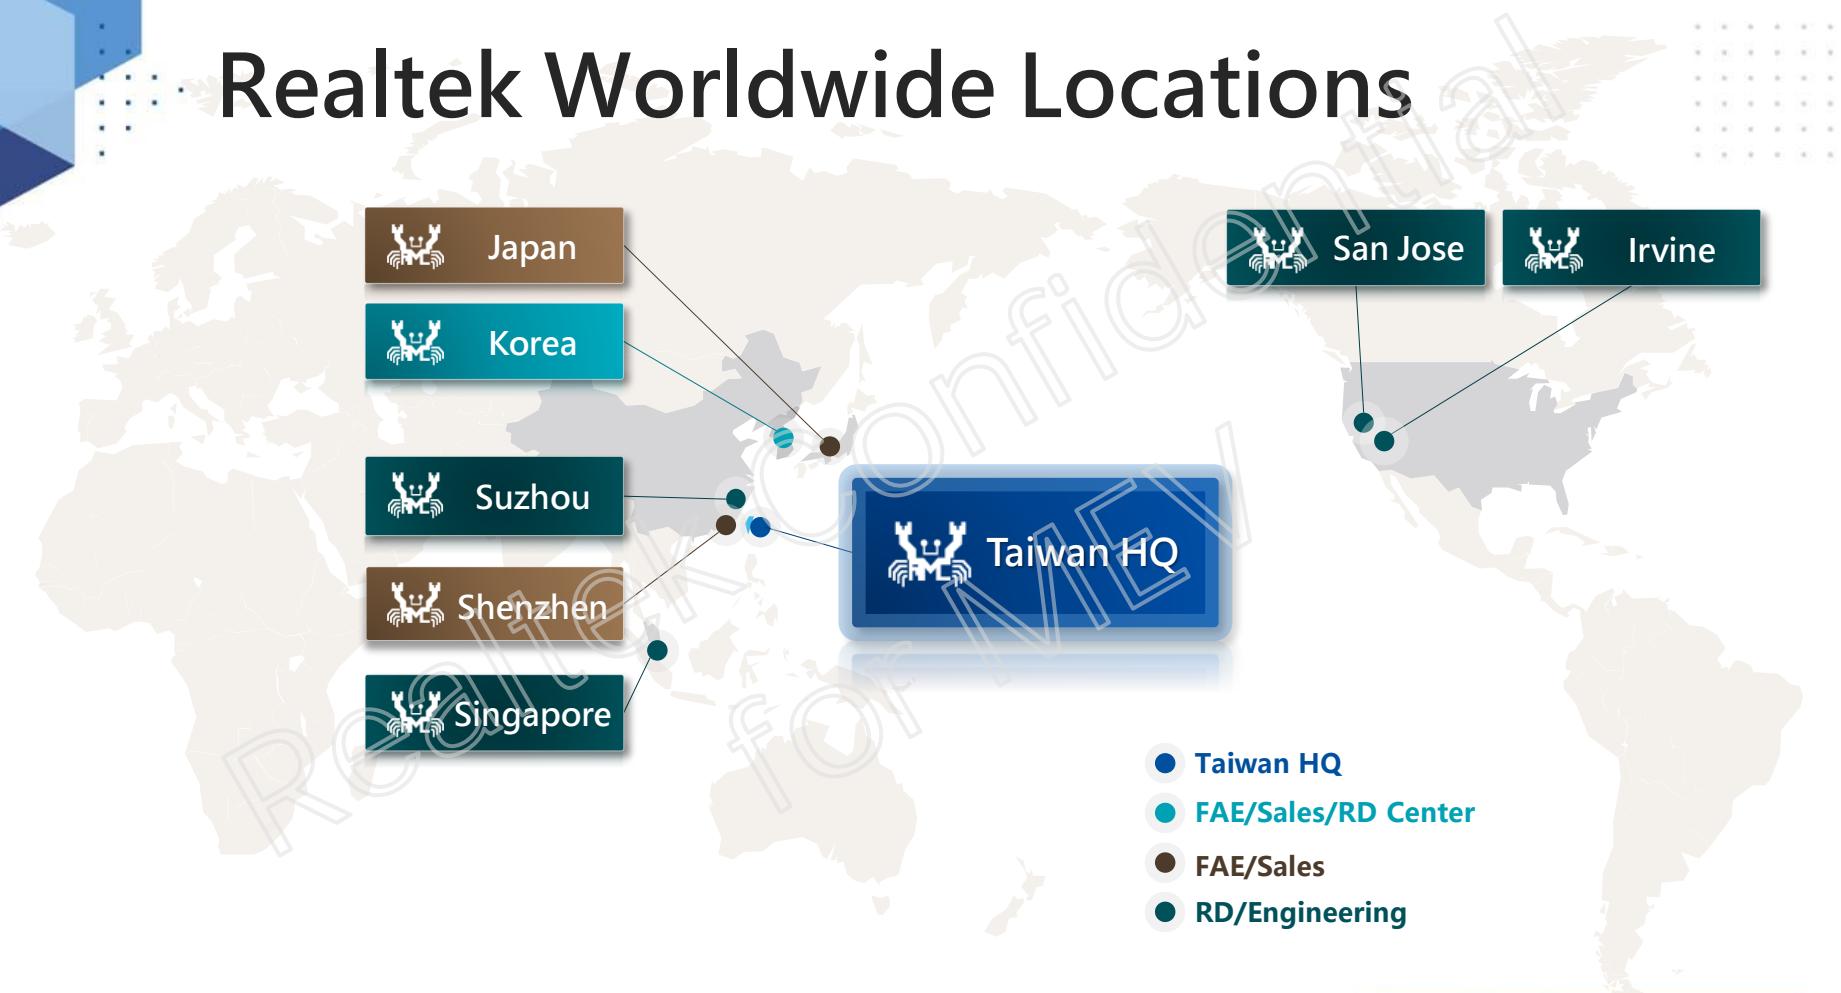

8th

In TrendForce Fabless 2021 Ranking

2021 Top 10 Fabless/System
IC Companies (\$M)
by TrendForce, Mar., 2022

2021 Rank	2020 Rank	Company	HQ	2020 \$M (USD)	2021 \$M (USD)	YoY
1	1	Qualcomm	US	19,407	29,333	51%

Realtek Worldwide Locations

Our Asset — People

6,700+

Total Employees (as of Dec, 2022)

Realtek Product Lines & Applications

Communications Network ICs

- Automotive Ethernet Switch/ PHY
- Switch/ Gateway Controllers
- xDSL/ xPON Controllers
- Wi-Fi/ BT/ IoT Controllers

Connected Media ICs

- Ethernet NIC/ PHY
- STB/ OTT Controllers
- USB High Speed Bridge

Computer Peripheral ICs

- PC Audio Codec and DSP
- IP/ PC Camera ISP and SOC
- Consumer Audio and DSP

Multimedia ICs

- LCD Monitor Controllers
- LCD TV Controllers
- Display Translators

Smart Interconnect ICs

- Card Reader Controllers
- USB 3.2 / USB 4.0 Hub
- Type-C PD/ Re-Driver
- Embedded Controllers

Realtek's Vision

Connecting Machines

Connecting
Humans to Machines

Connecting
a Smarter World

Connected World – Ever More Connected, Smarter

Connected Home

TV, Monitor, OTT, IoT,
Surveillance, Voice Assist

Smart City

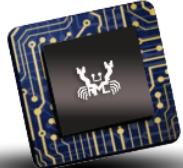

IoT Solution

Infrastructure

Switch, Gateway,
Broadband

Personal

PC, BT, Wi-Fi

Connected Car

Automotive Ethernet

Competitive Advantages

Technology

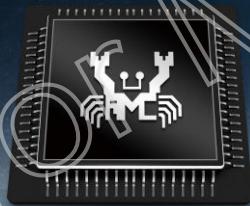

Solid

Service

Total Customer Satisfaction

Innovation

Creative

ESG

- Sustainable Management; Governance Excellence
- Happy Enterprise; Workplace Diversity
- Social Good; Health Promotion
- Green Operations; Earth Friendly

Awards

2022

- **2022 Innovative Product Award**
 - RTS5863 First Edge AI USB Camera Controller
- **2022 Taiwan Excellence Award**
 - RTL8125BG, RTL8156BG 2.5 Gigabit Ethernet Controllers
- **Three Awards at COMPUTEX TAIPEI 2022, including a Best Choice of the Year Award**
 - RTD2892NND AI Super Resolution Fidelity Recovery IC (Golden Award & Best Choice of the Year Award)
 - RTL8763E Ultra-Low-Power Versatile IoT Solution (Category Award)
- **Top 100 Global Innovators 2022 Award**

2021

- **2021 Asia Responsible Enterprise Award**
 - **Best Choice Golden Awards and 1 Best Choice Category Award at COMPUTEX TAIPEI 2021**
 - RTL9075AAD/RTL9072AAD Automotive Ethernet Switch IC (Golden Award)
 - RTS3916N Low Power AI IP Camera SoC (Category Award)

2020

- **2020 Hsinchu Science Park R&D Accomplishment Award, and Innovative Product Award for RTL8156B**
 - RTL8156B World smallest form factor & lowest power 2.5G USB Ethernet controller

2019

- **Best Choice of the Year, 2 Best Choice Golden Awards and 1 Best Choice Category Award at COMPUTEX TAIPEI 2019**
 - RTD2893 8K Video Decoder and Processing IC (Best Choice of the Year/Golden Award)
 - RTL8773B Realtek Bluetooth 5 ANC Smart Headset SoC (Golden Award)
 - RTL8722DM Ameba D: Ultra-Low-Power Versatile IoT Solution (Category Award)

2018

- **2019 Hsinchu Science Park R&D Accomplishment Award, and Innovative Product Award for RTD2893**
- **3 Best Choice Awards at COMPUTEX TAIPEI 2018 and Hsinchu Science Park Innovative Product Award 2018**
 - ALC5520 Multi-Mic FF SR Enhanced Single Chip (Golden Award) / Hsinchu Science Park Innovative Product Award
 - RTL8762C Bluetooth 5.0 Low Energy SoC (Category Award)
 - RTL8715A Ultra-Low-Power Wi-Fi IP Camera SoC (Category Award)
- **2018 Asia Responsible Entrepreneurship Awards (AREA): Health Promotion**

2017

- **3 Best Choice Category Awards and 1 Jury's Special Award at COMPUTEX TAIPEI 2017**
 - RTL8117 Personal Cloud IC Solution (Jury's Special)
 - RTL8763B World's 1st BT 5.0 Dual Mode Audio SoC
 - RTL8771B Low Power Wearable GNSS Receiver
 - RTL9047A Automotive Ethernet Switch Controller

2016

- **2 Best Choice Golden Awards at COMPUTEX TAIPEI 2016**
 - RTL8762A Bluetooth Low Energy SoC
 - RTS5421 USB 3.1 Type-C HUB
- **2016 Hsinchu Science Park R&D Accomplishment Award, and Innovative Product Award for RTL9020AA**
 - RTL9020AA Automotive Camera SoC Integrated with Audio/Video processor and Ethernet 100BASE-T1
